

# Set Your Child Up for Success in the Skilled Trades

with the Build Your Skills Learning Hub

Help your child take the first step toward a fulfilling career in the skilled construction trades with [Build Your Skills](#) – a free, self-paced, online learning hub. The Hub is designed to introduce young people to the trades, boost their skills and help prepare for what's ahead with tested, industry-aligned resources.

## Explore the Trades

On-the-job examples and video testimonials will help your child understand which trades appeal to them.

## Assess their Skills

A range of assessments to identify current strengths and gaps guide young people to the courses they need to boost their skills for the trades.

## Master Concepts

Interactive videos, activities and quizzes support youth in preparing for and succeeding in apprenticeship training.
